

Journal of Scientometric Research: Affiliation and support system

Dr. M Ahmed, Ph.D

Managing Editor, SciBiolMed.Org

Vatika Business Centre, Divyasree Chambers, 2nd Floor, Wing A, 11, O'Shaughnessy Road, Langford Town, Bangalore 560 025

Journal of Scientometric Research (JSCIRES) is an internationally targeted official publication of SciBiolMed.Org. It also receives support from Pharmacognosy Network Worldwide and INPHARM Association. The second issue onwards i.e. from January 2013 will be published with Medknow (www.medknow.com) which is now merged with Wolters Kluwer's Health.

SCIBIOLMED.ORG

SciBiolMed.Org is a non-profit private organization having its office located at Bangalore, India. SciBiolMed is dedicated to publish research in the field of science, biology and medicine. Their main mission is to enable those who seek the relevant research information on science, biology and medicine and make them available in different formats to suit their individual needs. A long term objective is to provide high quality, accurate and required information to enhance research and innovative concepts in scholarly publishing.

Journals being Published by SciBiolMed

This organisation is involved in publishing eight journals including JSCIRES. All the journals are peer reviewed, publish original, innovative and novel research articles. All the six established journals are indexed with major databases such as EBSCO, PubMed, SCOPUS, and Chemical Abstract. The brief highlights of these journals are given below.
